

IMAGINE THEATRE

WHERE WOMEN LEAD

Imagine Theatre was founded in 2016 with the **mission** of creating an empathetic and inclusive society, across cultures, by immersing young people in theatre that celebrates gender equity, diversity, and civic engagement.

Our company recognizes the importance of live theatre in shaping the way children and adults connect to each other, and thus boldly features stories of kindness, courage, and empowerment for our young patrons, their families, and educators.

In 2019, Imagine Theatre launched **Women Lead** - a sponsorship initiative aimed at highlighting local female leaders who are invested in empowering girls by supporting arts programming dedicated to championing gender parity in society. **Our goal is to introduce the women behind female-led enterprises to girls in 5th grade to inspire them to aspire.**

Imagine Theatre's **Warrior Queen Anahit the Brave** tells the story of a young peasant woman as she transforms into a royal warrior. She inspires and champions the other women in her kingdom to do the same, and with their help, saves the country and her King from an evil invader. The show will hold its **World Premiere** at The Colony Theatre in Burbank, CA this November and will spotlight such themes as courage, equality, friendship, leadership, and fortitude.

Much like Anahit's story, **your journey** to leadership **can galvanize the young girls** of our diverse community. This initiative creates the remarkable opportunity for courageous and proactive women like you to have a direct impact on empowering a new generation of driven and confident young women.

How does this work? Members of Women Lead meet 5th grade girls from local schools at a pre-show event in November. The girls then have one week to tell us who they would like to visit at their workplace, and we make those arrangements for a one-time visit with you.

Are you ready to lead? Your \$2,500 investment in our 2022/23 season will open a world of compelling & diverse possibilities for young girls in Los Angeles!
