OUR SERVICE TO OUR COMMUNITY

Since our founding in 2016, we have served over **23,000 kids & educators!** We proudly participated in local festivals and library openings, visited elementary schools to discuss storytelling and the live arts, produced mainstage productions & summer outdoor performances.

For more than 80% of these kids, this was their very **first time seeing a play.**

We have also provided employment to over **110 local artists**, the majority of whom were members of Actors' Equity Association, United Scenic Artists, and Stage Directors & Choreographers' Society - unions for stage artists.

Our work is not done! We do, however, need help to keep our programming alive. We sincerely appreciate your consideration!
